

THE FUNDAMENTALS

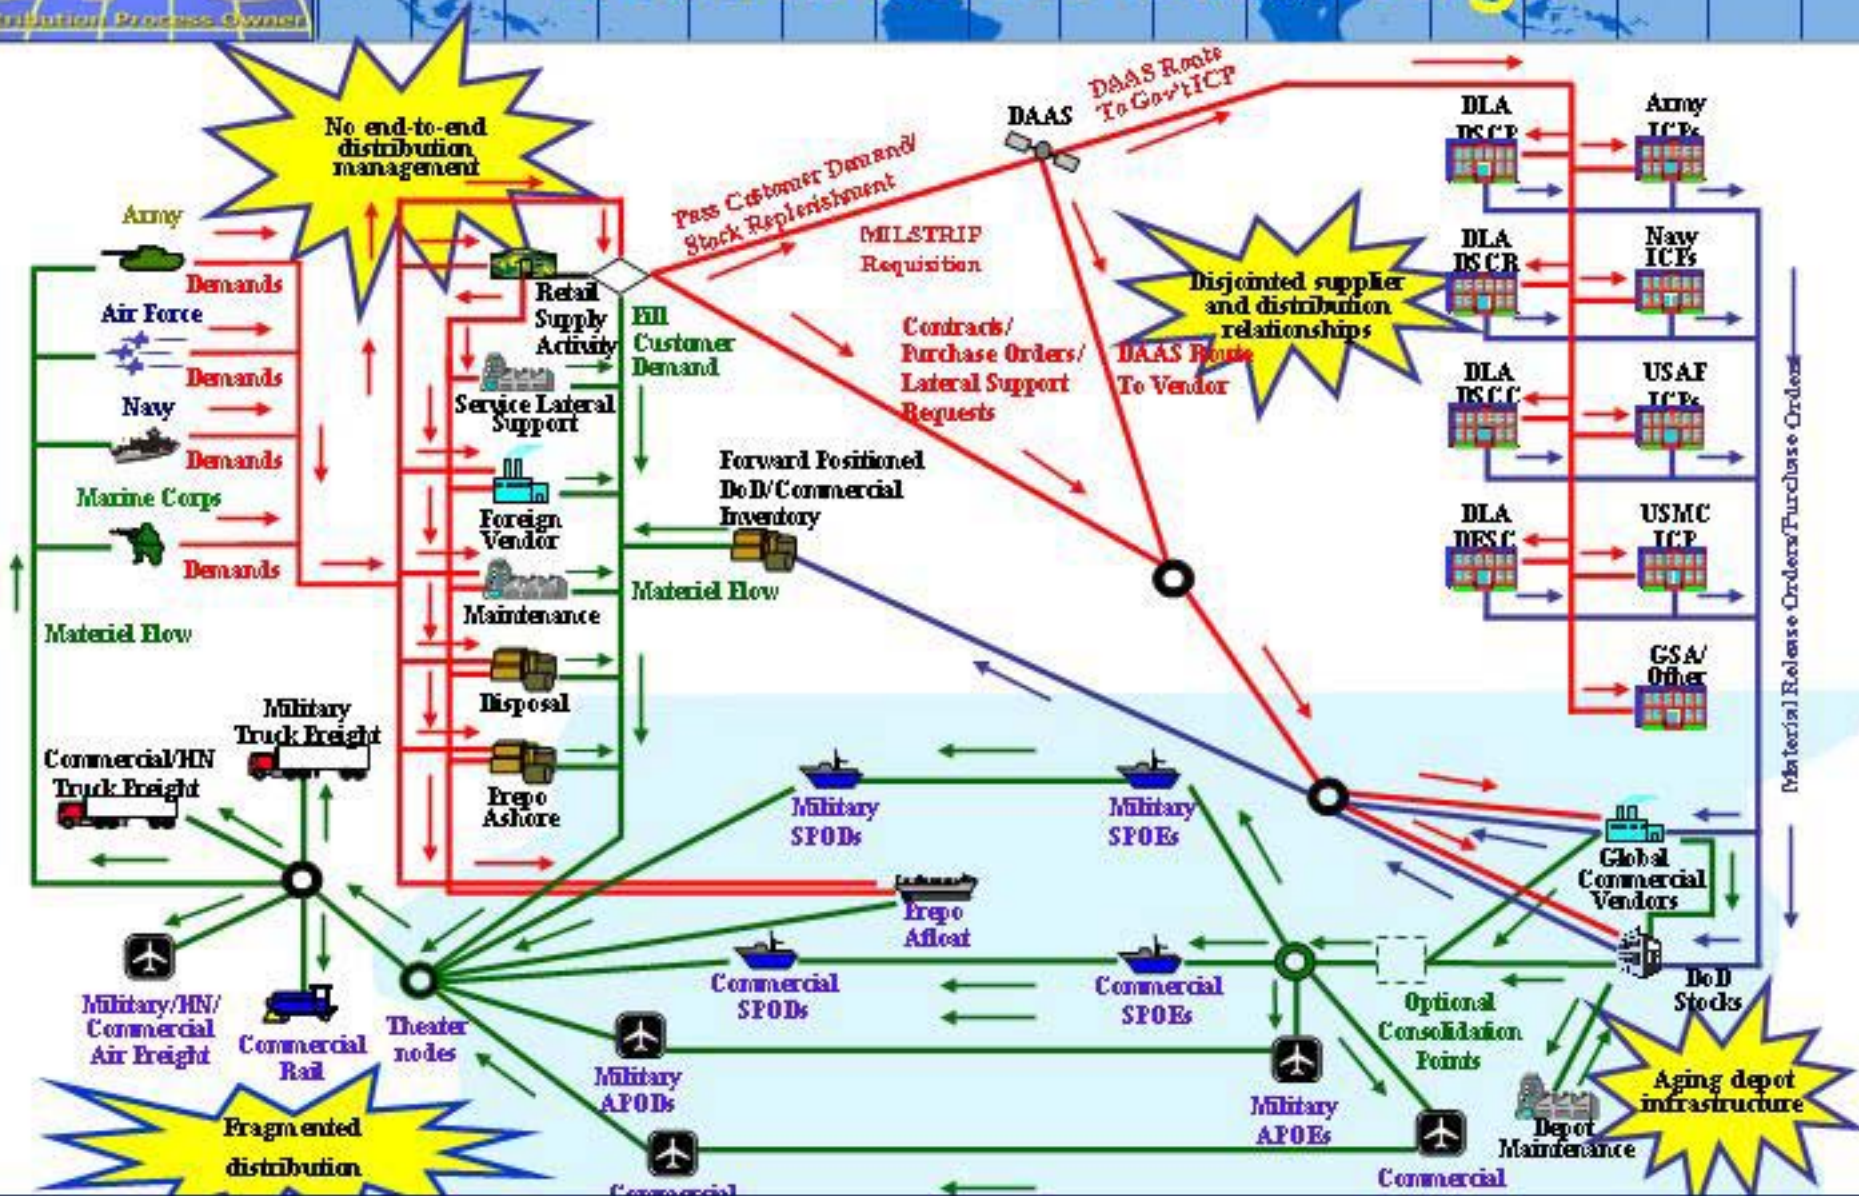

Distribution Process Owner

National Military Strategy requires *rapid, effective & efficient* projection of power both at home & abroad...

USTRANSCOM provides the synchronized transportation, distribution, and sustainment which makes possible projecting and maintaining national power where needed with the greatest speed and agility, the highest efficiency and the most reliable level of trust and accuracy

Distribution Challenge

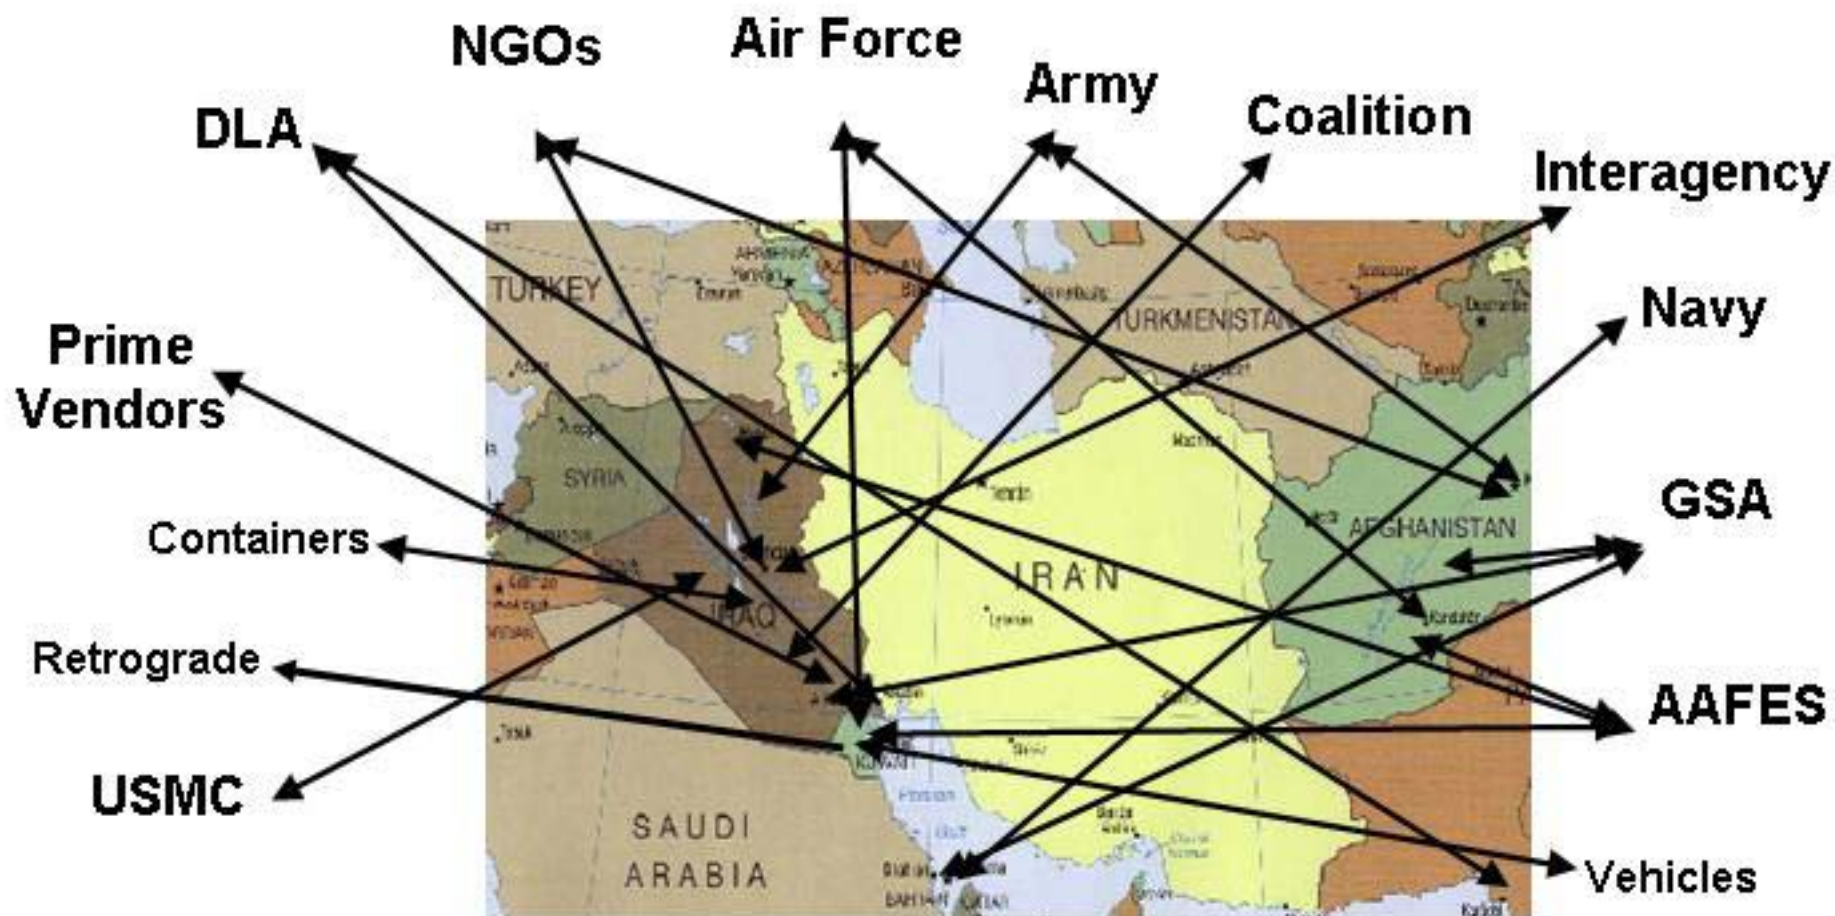

Who's setting priorities?

Who's the receiver?

Who's directing execution?

Who's metering the flow?

The Result Is...

Who's setting priorities?

Who's the receiver?

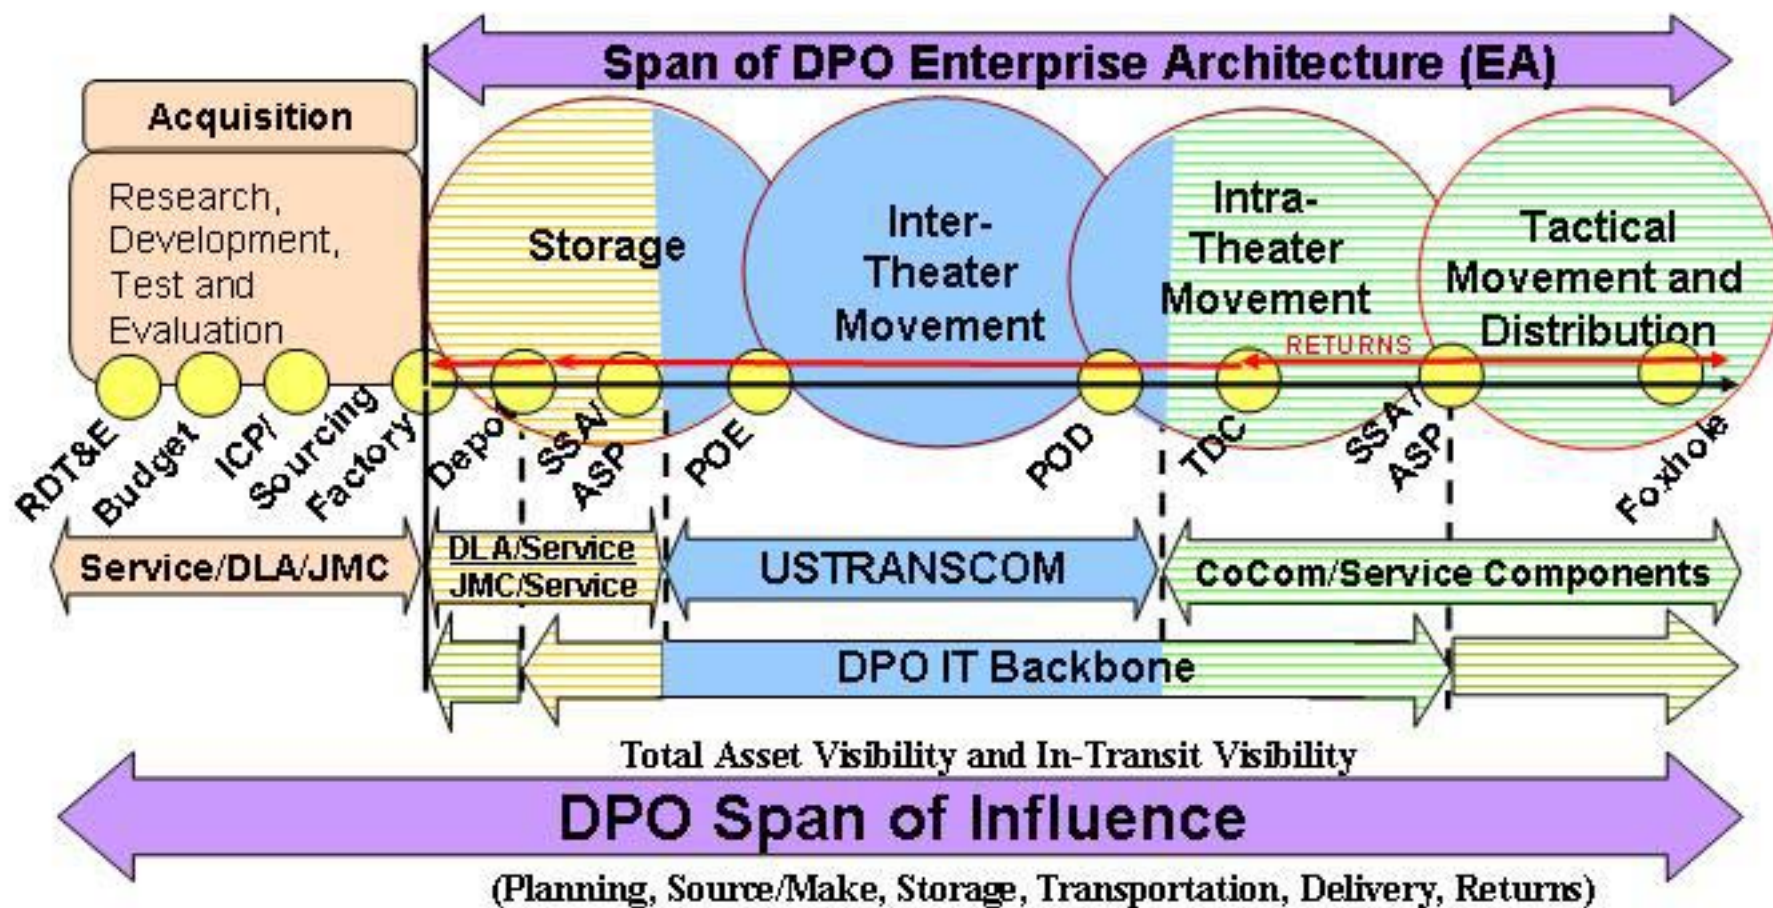

Who's directing execution?

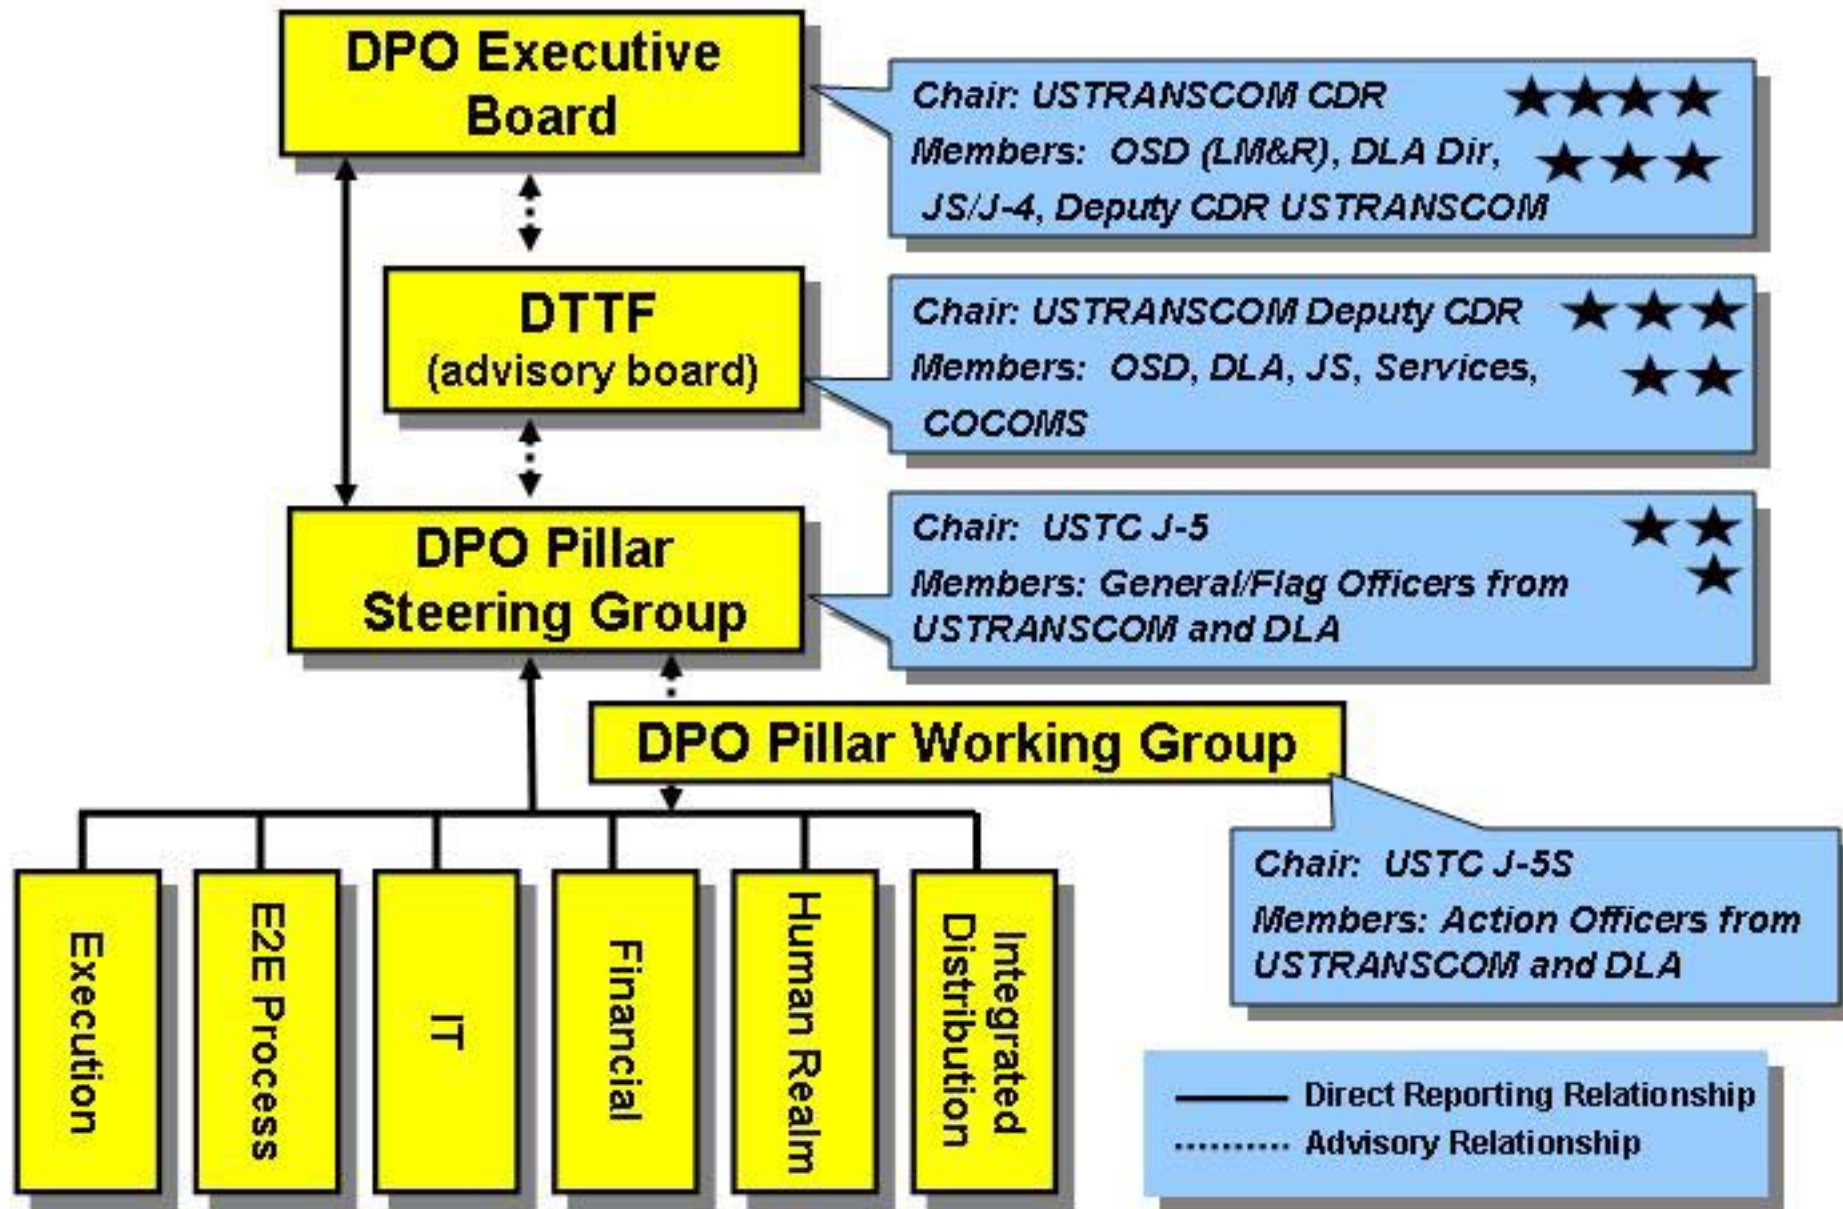

Who's metering the flow?

The Warfighter's View
